5

GOOD REASONS TO JOIN US IN OXFORD

- 1** Excellent platform for multidisciplinary transport personnel across the world to exchange practice, ideas and experiences
- 2** Expert international faculty delivering key note lectures and hot topics on neonatal retrievals
- 3** Opportunity for presenting transport related research and also to establish collaborative research
- 4** Interactive session for hands-on learning of key skills from experts in neonatal transport.
- 5** Exciting opportunity to join INFANT- an organisation committed to improvement of neonatal retrieval across the boundaries
